## **Additional Activities Charge (AAC):**

At Play2Learn we aim to offer children a wide range of experiences that are above the normal provision available in many settings. We believe by supporting children with additional activities and experiences it will enable them to develop a feeling of community and belonging, understand the world around them and be truly ready for school and later life! In order to provide this, we need to make a small one off charge at the beginning of the year and this money will cover everything provided below, (in schools you may be asked to pay additional charges throughout the year as the events occur).

Activities charge: £60 (one off payment when registering the child. 18 months, 2 years old working families and 3 years old are charged). Which will include:

Festivals and parties (additional creative and language activities) for

- Diwali
- Eid
- Christmas
- Chinese New Year

Celebrations:

- Valentine's day (about the people we care about)
- Mothers' day
- Fathers' Day
- Easter
- Vaisakhi
- Holi

- Teddy Bears Picnic
- Graduation (additional hire charge for cap and gown if you would like your child to wear one £10 per child)

#### Activities:

- Forest Schools

The Charges are voluntary, however your child will be unable to take part in the above activities if the charge is not paid.

Fruit bag: 1 fruit bag per child in the beginning of each week (to be provided by parents). If you would like us to provide this then there will be an additional charge of £2 per week.

Tissue box: Once a month per child to be provided by parents

Late fees: £ 10 after giving 3 warnings

#### **Consumables:**

At Play2Learn we do not provide nappies, wipes, suncream etc, we ask that parents provide this for their children at that all items are clearly labelled with your child's full name.
